

Circular Ref No: PPS/ 19 /2014-15

6th February, 2015

Dear Parents,

Greetings!

At DYPIS it is our constant endeavour to make learning meaningful so that students become life long learners and are able to extend their learning and knowledge beyond the classroom i.e. to the real world.

We thus provide students with learning experiences that are engaging, relevant, challenging and significant, in learning environments that are stimulating and provocative.

Students will thus culminate their current ongoing TIU showcasing their inquiry process through the DYPIS INQUIRY FAIR scheduled on Friday, 27th February, 2015, between 9:30 am and 1.30 pm.

You are requested to block this date to be a part of the Inquiry Fair, which will highlight the transdisciplinary learning journey of your child.

The invite along with your allotted time slot will be sent to you shortly.

Regards,
